Summer Outdoor Adventure Camps 2012

Camp Staff

Excited to share their knowledge and love for nature, the full-time Nature Center naturalists are trained and dedicated professionals with a long-term commitment to environmental education. Our seasonal camp staff includes school teachers and highly trained naturalists who return year after year. All staff are CPR and First Aid Certified to insure your child's safety. Experience and observation are the primary tools by which we teach, empower and encourage students of all ages to explore and learn about the natural world that surrounds them.
